**Product Certificate of Analysis**

[Article description] Tattoo Colour  
[Brand] Intenze  
[Colour name] Gen-Z Light Purple  
[Article no] ST1011LP  
[Related CTL no] 399777/1, 400362/2, 400362/4, 400890/1, 400890/2

Tests performed according to Regulation 1907/2006 Annex XVII (REACH) of the European Parliament and the Council

| Part 1: Document Check                                                                                                                                                                  | Result |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| Based on the formulations, it is ruled out that prohibited substances are deliberately used in the specified colour                                                                     |        |
| All ingredients meet the conditions of Regulation 1907/2006 of the European Parliament and of the Council concerning the Regulation, Authorisation and Restriction of Chemicals (REACH) | pass   |

| Part 2 - 5: Chemical Analysis*                                                                                                                                                                                                                                                                                                                       | Result |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| Lab-analysis of free amines, screening including preservatives and phthalates, heavy metals and PAHs                                                                                                                                                                                                                                                 |        |
| The performed tests showed no chemical or element above the required limit specified in Regulation 1907/2006 of the European Parliament and of the Council concerning the Regulation, Authorisation and Restriction of Chemicals (REACH) - concentrations may be calculated based on tests performed of ingredients in combination with formulations | pass   |

| Part 6: Sterility Test*                                | Result |
|--------------------------------------------------------|--------|
| A broad variety of biological contamination is tested  |        |
| No biological contamination was detected in the sample | pass   |

\*for further details, please refer to the related test reports (CTL no).

Certificate valid until: 19.12.23

Bielefeld, 18.03.2022
